

Ferry Beach 2019

Changes this Year

There are a number of significant changes made by Ferry Beach this year to the lodging configurations, fees, food service, supervision of children, and other policies. There is a page in the packet with descriptions of the new lodging options. **Please read the full packet carefully** and feel free to ask questions about anything you need clarified.

Fees

There are three levels of fees for onsite housing, depending on whether you wish to stay in a dorm or one of the cottages now available to us, along with different fees for campers and those staying off-site. In all cases, the registration fee includes three nights and eight meals! **Please read the lodging registration forms** carefully and ask any questions you may have. **Sorry, we cannot prorate fees if you plan to attend only part of the weekend.** (An exception is if someone in your family needs to come just for a day, not staying the night. They will need to register in advance and pay a day-use fee and meal fee. Contact Darien Smith for details.) Some scholarship assistance is available, and you may contact Concord Registrar Darien Smith (darien@smithquest.com or 978-369-1471) to inquire about this possibility. **Fees are non-refundable after May 9.**

Food Service

There is a new chef, Chef Linda, with whom we will be working this year. We are again planning for Ferry Beach food to be nut-free this year. The Chef should be able to accommodate the following needs if we know in advance: vegan, vegetarian, gluten free, and lactose intolerance. Other dietary restrictions cannot necessarily be accommodated, but there is a refrigerator available if you need to bring supplemental food. We must know this in advance! Wrist bands that identify you as part of our group and that you have paid for meals will be issued at registration. Each person must be wearing one to be served in the DeWolfe Dining Hall throughout the weekend.

Note that other than pre-packaged snack foods that do not require preparation or dishes, we are no longer allowed to bring outside food into the DeWolfe Dining Hall at any time (except in the case of special diets as referenced above). We plan to have popcorn, hot chocolate, and chocolate milk available, as usual.

We will again have the option of signing up for a pizza and salad dinner in the dining hall on Friday evening this year. It's part of the registration form.

Onsite Questions/Issues

There are always at least two committee members onsite and on call via cell phone to answer questions during the day and evening. Names and phone numbers are posted in the Quillen Lobby. There is also an Issue Response Team that is a subgroup of the committee that is available if needed during the weekend to help deal with any issues including irresponsible, questionable, or inappropriate behavior of individuals or groups (of any age).

Mission Statement

Members of our Concord Ferry Beach Committee have developed a mission statement for our time at Ferry Beach. We think it captures why we gather at the beach and hope you will, too:

*We come away to Ferry Beach as individuals and as families,
joining in one spirit into a larger family of many generations.
Ministering to each other and to our own selves,
we gather in joyful community and find a place for restorative tranquility.*

The Ferry Beach Planning Committee looks forward to seeing you at the Beach !

Ferry Beach Family Retreat – Memorial Day Weekend, May 24-27, 2019

Registration Packet

The Ferry Beach Retreat Committee is happy you are considering attending this year's retreat and we look forward to welcoming you to "The Beach" in May! We have prepared this registration packet so you will have the information needed to register and prepare for this year's retreat. **Please read the entire packet.** We hope it will answer most of your questions, though we encourage you to speak with a committee member if you have questions we have not covered. If you are new to the Ferry Beach Retreat, you may also want to pick up the "FAQ" sheet available at coffee hour with information for newcomers.

Some important notes:

- The Ferry Beach Retreat is a **RAIN or SHINE EVENT**, and **no refunds** will be given due to weather conditions. Even in years when the weather has not been good, we've had a great time! **Also, after May 9, there will be no refunds for cancellations for any reason**, since we must turn in final numbers to Ferry Beach two weeks in advance of our weekend and then must pay for that amount. (The exception on a refund would be if you found someone able to take your place.)
- **The lodging choices are different for this year**, as was explained in a letter to previous attendees on April 2. Please read the lodging choices in this registration packet carefully before you register, and ask any questions at the coffee hour table or of Registrar Elisabeth Jas (elisjas@outlook.com). **Sorry, we cannot prorate fees if you plan to attend only part of the weekend.** (If you would like to attend for just a day without staying overnight, please contact Elisabeth to make arrangements. You must also register in advance and pay for meals in order to attend for a day and be served in the Dining Hall. No outside food may be brought into the dining hall.)
- Some financial assistance is available -- please speak with Elisabeth Jas.
- **The deadline for ALL registrations, including campers and those staying offsite, is Sunday, April 28**, and all registrations received by then will have a fair chance for onsite rooms or cottages, if desired. Concord is limited to approximately half of the bed spaces, including the new cottages available to us, plus campsites, with an overall cap of 250 people for Concord and Lexington combined. Late registrations accepted if space is available.
- Due to the large numbers of First Parish people who want to attend, we have to limit invited friends to those who are also members of the First Parish community. First Parish youth may attend without their parents, but must have an adult sponsor **if under age 21** and submit all required forms (elsewhere in packet).
- Details of the weekend and directions will be sent **via e-mail** in mid-May to those who have registered.
- If you are going to arrive after 9:00pm on Friday, you **MUST** let us know ahead of time, or on Friday, call Elisabeth Jas (781-789-5920). If we do not hear from you, we reserve the right to give away your room to campers.

Please read all the attached materials regarding the Ferry Beach Community, Changes this Year, Youth, Ferry Beach Rules, Medical Info required for all minors, and the Registration Form, including the Teen Waiver. If you would like to know more about Ferry Beach, ask any of the members of the planning committee. Please direct registration questions Elisabeth Jas (781-789-5920) or Elisjas@outlook.com.

Some Important Notes Regarding the Ferry Beach Community

In order to make the Ferry Beach weekend as pleasant and safe as possible for all participants, the Ferry Beach Planning Committee urges everyone to be particularly aware of the following rules and policies as well as several recommendations for safe behavior.

Please remember that ***you*** must keep track of your own children and youth, and any youth you are sponsoring, at all times, especially “after hours.” Of course, we hope you will also keep an eye on other kids in our “village”, too, for safety’s sake. **Note that Ferry Beach has a new policy that all children under the age of 18 must be under adult supervision at all times, except for teens aged 13-17 whose families have signed the Teen Waiver.** (We ask all parents of teens to complete and submit this form as part of registration.) Note that younger children may not be left under teen supervision, but rather must have an actual adult who is specifically monitoring them at all times.

Remember that everyone is responsible for clean-up throughout the weekend, *especially evenings in the dining hall and other public spaces*, and at all times in the restrooms. Parents, please help your children/youth to clean up after themselves (trips to the bathroom in sandy wet beachwear can be a particular problem).

Recall that there are quiet hours from 11:00 p.m. - 8:00 a.m. throughout the campus, including the campground and tennis/basketball courts. **After 11:00 p.m., no one under 18 is allowed on the beach. Also, no one under the age of 18 is permitted on the beach at anytime without an adult present. Being in the water is allowed only when a lifeguard is on duty.**

Ferry Beach Park Association Rules prohibit drinking alcoholic beverages except in public areas like the porches or in the dining hall (individual lodging spaces are not considered public areas). Due to our insurance restrictions, only wine or beer are allowed. Underage drinking (under 21) is strictly prohibited. There is no alcohol allowed on the beach, by anyone at any time (state law). The Ziegler Room in Rowland is always an alcohol free area. Adults are reminded that they are being observed and emulated by younger adults and teens; and teens and young adults are always modeling for younger kids. Please be aware of this dynamic, and assume some responsibility for those around you in all situations. Violation of Maine law may be cause for the Committee to request that individuals involved in such violations leave Ferry Beach immediately.

The Ziegler Room is available during the day for older youth or young adults to gather if their family has submitted the Teen Waiver, but closed during quiet hours (11pm-8am). There is no sleeping allowed in the Ziegler Room. The Quillen Lobby and Dolphin Room (former dining hall) are open to all as places to hang out, as is the current dining hall. We hope that having places where older youth and young adults may gather even late at night will help to avoid the dangerous situation of minors on the beach at that time, and be conducive to the Ferry Beach friendships that young people have enjoyed over the years. It is up to parents and sponsors to determine if and when their youth are permitted in these spaces, and to monitor or supervise their use of these areas.

In general, all families/sponsors need to make clear plans with their children and youth for knowing where each other are and what they are doing at all times. It’s just as important for youth/children to be able to find their adults as vice versa!! **Again, remember the Ferry Beach requirement that children be under the supervision of an adult at all times.**

We remind everyone that our continued use of the Ferry Beach campus for our annual retreat depends on how we take care of the campus and follow the rules of the community. No one wants the actions of a few to jeopardize that for all.

We look forward to a great weekend!

The Ferry Beach Planning Committee of Concord and Lexington

Welcome to the Ferry Beach Community

(Ferry Beach Park Association Rules)

It is our goal to make your stay as safe, comfortable and rewarding as possible. By coming to “The Beach” you have entered into a relationship of commitment and responsibility to others who share that space and time with you. The following policies are necessary for us to maintain a safe campus for the entire Ferry Beach community. We ask for your cooperation in abiding by them.

In case of emergency.

The Executive Director lives at 5 Morris Ave. and can be reached at 207.423.2529.

Good Stewardship. We are all caretakers of this delicate and precious seashore area. Please help us care for our environment by turning off lights when not in use, taking shorter showers and making sure all faucets are turned off, placing all recyclables in the designated collection containers, and placing all raw fruits and vegetables, egg shells, tea bags and coffee grounds into the composting bucket in the dining room. Also, *please stay off the sand dunes.*

Fire. Open flames of any kind (including candles, incense, lighters, tobacco products, and even a chalice) are prohibited in all buildings on campus due to their age and dry conditions. All dormitory buildings are equipped with fire alarms that notify the Saco Fire Department automatically. You must leave the building immediately if you hear the alarm. Also, use of fireworks on the grounds or beach is not allowed.

Smoking. Smoking is allowed in the designated area in the Grove parking lot only. We uphold the Maine State law that forbids the possession and/or use of tobacco products by those under 18.

Alcoholic Beverages. Alcoholic Beverages may be served and consumed in public areas only, and only by those 21 and older. We uphold the Maine State law that forbids alcoholic beverages on the beach.

Controlled Substances. We uphold federal and state laws forbidding the possession or use of illegal or controlled substances.

Feet. Local and State health ordinances prohibit bare feet in Quillen lobby and the dining room. Swimsuits should also be covered when in those areas.

Wheels. Skateboarding, rollerblading, bicycling or any such activity is not allowed in any of our buildings or on our porches. Please use the basketball court or paths throughout campus. Also, please be very careful when crossing the streets: All the roads are public and traffic along Route 9 moves very fast.

Good Neighbors. Quiet time throughout the campus is from 11:00 pm to 8:00 am, which includes the basketball/tennis courts. Soft voices in sleeping areas even before that time shows respect for other’s needs.

Pets. Pets are not allowed except for service animals. We will gladly supply names of local kennels for those who wish to bring their animals with them.

Beach Safety. Please note that no one under the age of 18 is allowed on the on the beach at anytime without a lifeguard or adult present. No one is allowed in the water unless a lifeguard is present. After 11:00 pm, no one is allowed in the water, and no one under 18 is allowed on the beach.

Parental Responsibility. Parents are completely responsible for their children under 18. An adult must plan to sleep in areas where youth are sleeping. Children under 18 must be under adult supervision at all times, except for teens 13-17 whose families have submitted the Ferry Beach Teen Waiver.

Ferry Beach Park Association
TEEN WAIVER AND RELEASE FORM

Ferry Beach Park Association is committed to conducting its programs, services, and activities in a safe manner and in accordance with our insurance carrier. FBPA policy dictates that children under the age of 18 must be supervised by an adult at all times. No children are allowed on the beach at any time without an adult supervisor. Parents and/or guardians must recognize that there is a greater likelihood of risk-laden behavior when teens are not supervised by adults.

Parents/guardians are solely responsible for allowing their teens to participate in group unsupervised time.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that as a parent/guardian of a teen who participates in unsupervised time, while visiting Ferry Beach Park Association, you will be expressly assuming the risk and legal liability, and waiving and releasing all claims for injuries, damages, or loss which you or your teen might sustain as a result of participation, or damages to Ferry Beach.

I recognize and acknowledge that there are certain risks to unsupervised teens and that by allowing my teen to participate in such an event, I voluntarily agree to assume the risk of all injuries, death, damages, or loss, regardless of severity, that they, or I, may sustain as a result of said activities. I further agree to waive and relinquish all claims I may have as a result of such activities against Ferry Beach Park Association or any of the respective official, officers, employees, agents, and/or other volunteers, collectively or individually.

Due to insurance requirements, retreat participants may be in the water at the beach only if a certified lifeguard is on duty. We hope to arrange lifeguard hours beginning at 10am through afternoon. Please note that lifeguards cannot serve as babysitters. Parents/sponsors are still responsible for their children/sponsored youth on the beach and in the water, as everywhere on campus, at all times.

Also, Ferry Beach has a "No Pets" policy for the entire campus and bringing your pet jeopardizes our use of the facilities in the future. Contact Darien Smith from Concord FP if you'd like information on kennels near Ferry Beach.

Please sign below to acknowledge that you are aware of the Waterfront Policy and the Pet Policy for Ferry Beach and that you, your family, and any youth you sponsor will abide by these policies.
